NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMEROUS friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Goods.

FOR CREECH'S.

Just received, 50 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES,

I will sell you Calicoes at 8 cts a per yard; want you look at them at 10 cents? and can you afford to buy them at 12½c.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves!

There the jesuits Bercuda ride
In the Ocean's broom unspied;
From a small boat that rowed a-long
The listless winds received the song.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them to you for CASH! So you see it them cheaper? come quickly, Last and them! Do you want them fine? I've got just the man that has them. A, B, C, 10, 12, 15, 20, 25 and 30 dollars; do you want them best still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hat, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage

DISABILITIES.

The *Standard* is much exercised respecting disabilities, and fears that Gov. Vance will not be admitted to a seat in the Senate, because his disabilities have not been removed; and to add to its apprehensions, states that Gov. Graham was denied his seat when elected to the Senate in 1865, because he had not obtained a pardon from Andrew Johnson. This is very far from the truth. No Senator or Representative was admitted from any Southern State at that time, no matter whether he was pardoned, or stood in no need of pardon.—John Pool was the colleague of Mr. Graham; he had been pardoned, but failed to be received, even after Mr. Doolittle's authorized declaration that he had been in public place under the Confederacy for the purpose of betraying it. Instead of admitting members from any Southern State, Congress raised a reconstruction committee, to inquire into the fitness of the States for representation; and it was not until March 1867, that the reconstruction acts, so-called, were passed; and not until after the adoption of a new constitution in 1868, and an election of Senators under that, that any Senator or Representative was admitted, or could have been admitted from North Carolina. Mr. Graham's condition in reference to pardon had no connection with his non admission—the exclusion embraced the whole delegation of the South, Sharkey and Alcorn of Mississippi, Parsons of Alabama and others, who had been not only pardoned, but provisional Governors under Mr. Johnson—the determination of Congress, as shown in its subsequent measures, was to admit no representation, till they had secured the right of suffrage to the colored race, and effected their plan of reconstruction. A pardon from President Johnson was not of the least importance in the question of admission at that time.

Nor do we suppose, that the existence of disabilities will stand much in the way of a North Carolinian elected to Congress in the latter end of 1870. Who is to make objection? Not the Governor surely. He has urged universal amnesty in two messages to the Legislature. Not the Republican party in the State. The Legislature of 1869, in which they had a great majority, adopted resolutions asking Congress for the same magnanimous and liberal policy. None of that party certainly has any objection to Gov. Vance, or any one else who is the choice of the State or district, taking his seat. And it is not to be feared that members from other States will take upon themselves an opposition to the choice of the Legislature of North Carolina, unless prompted by influences from among ourselves. Is there to be any doubledealing on the question? Was the liberality to which we have alluded sincere, or was it only put on for effect, and to last only until political power in the State changed hands?

THE STANDARD AND GENERAL RANSOM.

The *Standard* in its article upon Gov. Vance and the U. S. Senatorship, takes occasion to allude to the defeat of General M. W. Ranson as being caused by his party connection before the war. It is only necessary to state this to be untrue. No such question arose, nor would it have been entertained had it been suggested. The west felt entitled to the Senatorship, not having had one for several years, and in consideration of the vote she gave in the recent August election. That the question was not one of Whig and Democrat is proven by the result of the caucus nomination. Gov. Vance receiving the nomination over Gen. Ransom by *two votes*. And it was not a sectional matter strictly. A number of members from the east voted for Gov. Vance, while several from the west voted for General Ransom.

The *Standard* will fail in its object, so far as creating a division in the Democratic and Conservative party is concerned. Gen. Ransom so far from being chagrined, will use his influence in getting Gov. Vance's disabilities removed. He loves North Carolina and his party too well to allow his claims to come in contact with either; and North Carolina loves him too well to permit his many and noble sacrifices, his unswerving devotion to her at all times and under all circumstances, and his lofty patriotism, to go unrewarded.

"So far as we are concerned," says the *Standard*, "we shall not attempt to influence the Congress either for or against Mr. Vance." No doubt that Gov. Vance and the people generally will breathe much easier after that announcement. "We shall be satisfied with whatever Congress does," continues the *Standard*. Good, kind, benevolent soul! and so forbearing too, as not to call Congress to account, no matter how naughtily it may act!

Geo. W. Kirk, one of Gov. Holden's instruments of oppression, and Col. Carrow's (U. S. Marshal) friend, continues to insult our citizens by parading the streets. A deputy marshal brings up the rear of this perambulating outrage in human form.

By Mr. Fleming: Resolution instructing the Committee on Finance, to inquire into and report the condition and amount of assets belonging to the State; adopted.

By Mr. Lehman: Resolution authorizing the usual number of copies of the rules for the government of both Houses to be printed; lies over.

By Mr. Moore: Resoluton proposing to raise a special Committee of five to ascertain and report if there were armed militia or State Troops in the county of Sampson at or near the polls on the election day last August.

This resolution was discussed at some length, finally, on motion of Mr. Currie, it was laid on the table.

By Mr. Moore: Resolution proposing to raise a Committee to ascertain and report whether or not any troops were in the county of Yancey on election day near the polls.

On motion of Mr. Robbins, of Rowan, it was laid on the table.

By Mr. Moore: Resolution proposing to raise a Committee to ascertain and report if there be any member seated on the floor of the Senate who are banned by the constitutional amendment.

Mr. Robbins, of Rowan, opposed this resolution in a short but forcible manner, he thought it entirely too general in its view. If the Senator would be more specific and name the parties who are banned, he would vote to investigate, but would vote for no proposition like the one pending.

Mr Moore, by consent of the Senate, withdrew the resolution.

By Mr. Cook: The following resolution:

WHEREAS, The Internal Revenue Law of the United States levying a special tax on the manufacturers of whisky, brandy and tobacco, are unjust and unequal in their tendency, discriminating in favor of the rich to the injury of the poorer class of our citizens, so much so as to make it impossible for the poorer class of our citizens to comply with the requirements of said law relating to the manufacture of whisky and brandy, and

WHEREAS, a great wrong has been inflicted upon our citizens in consequence thereof, therefore,

Resolved by the General Assembly of North Carolina, That our Senators and Representatives in the Congress of the United States, be, and they are hereby instructed to introduce at an early day, a bill to repeal the tax on said articles, and especially the tax on whisky and brandy.

Resolved further, That our Senators and Representatives aforesaid, be, and they are instructed [if in their judgment they may deem it necessary] to favor the passage of a bill taxing stills according to their capacity and not the manufactured articles, also taxing tobacco screws and not the manufactured tobacco.

Resolved further, That the President of the Senate, transmit a copy of these resolutions to each of our Senators and Representatives in Congress, lies over.

By Mr. Battle, Resolution instructing the Committee on the Judiciary to report a bill to better secure or enforce work on the Public Roads, adopted.

By Mr. Latham the following resolution to wit:

Resolved, That the Committee on Finance be instructed to enquire and report to the Senate the terms and conditions of the sale of Swamp Lands in Hyde, Tyrrell and Washington made by the Board of Education to one Bibles and others—whether any part of the purchase money has been paid and if so what part—and whether it is advisable that any action be taken by the General Assembly to confirm, or rescind and annul said sale.

Mr. Latham remarked that an investigation into this matter was not only demanded by the public voice but was now rendered necessary from the fact that said sale had been rescinded or attempted to be rescinded by the purchasers by their failure to pay the amount due on the 1st of Oct, last. A portion of these lands had been resold to settlers, who had made improvements thereto, and claims might hereafter be brought against the State on account of such improvements. To settle the whole matter he had introduced this resolution.

The resolution was adopted,

MEETING IN WILKES.

At a meeting of the citizens of Wilkes county, at the Court House in Wilkesboro' on Saturday, the 26th day of Nov., 1870, on motion, P. R. McGrady, Esq., was called to the chair, and L. L. Witherspoon was requested to act as Secretary.

Col. R. F. Armfield explained the object of the meeting which he said was to ascertain the feelings of the people on the subject of calling a restricted Convention. Col. A. made a speech of considerable length with his usual candor and ability, after which the following resolutions were read and unanimously adopted:

WHEREAS, It is the high privilege of a free people, to assemble and instruct those who represent them in the Legislatures, both State and National; Therefore,

Resolved, 1st. That we a portion of the people of Wilkes county, assembled at Wilkesboro', believing that the present Constitution of our State is totally unsuited to our condition as a people, and that the burdens of taxation which it imposes upon us are greater than we can bear, and believing that the Legislative mode of amending it would be so tardy that ruin would come before relief could be obtained in that way, do instruct our Representatives in both branches of the present Legislature to use their influence and votes for the call of a Convention of the people to amend said Constitution.

Resolved, 2nd. That in our opinion, it ought to be submitted to the people of the State to say, at the ballot box, whether they desire such a Convention or not, and that it is further our opinion that said Convention, when called, ought to be so restricted that it could not alter the provisions of the present Constitution which provides for the rights of the colored race, nor the provisions which secure to poor debtors the privileges of a homestead and personal property exemption, except to so modify the latter as to provide that they should not extend to official bonds and bonds of administrators and Guardians, or to prosecute suits, and these modifications we deem necessary to enable the poor men of the State to secure and enjoy their public and private rights and privileges.

Resolved, 3rd, That copies of these resolutions be forwarded, by the Secretary of this meeting, to our Representatives in the Senate and House of Representatives, and that they be requested to lay them before their respective Houses.

Resolved, 4th, That copies of these resolutions be forwarded, by the Secretary, to the Raleigh SENTINEL and Statesville *American*, with a request to publish them.

OXFORD, Nov. 29th, 1870.

MR. EDITOR:—St. Johns College (located on the suburbs of Oxford) is in such a flourishing condition it makes my heart swell with pride to think of the advantages it offers to the daughters of Granville, good old North Carolina and other States. By the solicitation of the Masons and citizens, the worthy President of Kittrells Female College opened a school in it last July.—Unsectarian in its teachings and in the pure principles of Christianity, with the beauties and feelings of free and accepted Masons, it has been firmly established, and no pains will be spared to maintain the reputation, the President has always held for thorough instruction and careful training. The healthful climate affords peculiar advantages to parents whose desires are to promote that blessing for the body, while their children's minds are being trained for duties of maturer age. The Faculty are strictly first class teachers of English, French, Latin, Vocal and Instrumental music, Drawing and Painting. The most satisfactory references can be furnished of the success that has attended the President's efforts in properly educating nearly *one thousand* young ladies, and that is enough of itself to speak volumes in his praise. Church bells from four denominations invite all classes to worship on God's Holy Day, and the attendance of nearly one hundred from one school, adds an attraction to our village life, awaking an interest in the cause of education that leads to spiritual enjoyment. Knowing through the young, proper principles can be more generally disseminated, it is enough to arouse the dormant citizen to action, who has like the snail quietly slept in his shell through the winter of life, waiting for the Spring time to burst forth with its verdure and with all his energies work out the course to pursue for future operations.—Let all who doubt the ability of our St. Johns advantages, give it a fair trial and if not satisfied, we will withdraw our just commendation to the admirers of a thorough, well trained education.

Habitual Constipation.

HOW TO EFFECT A CERTAIN AND PERMANENT CURE.

Some occupations of life predispose to Costiveness, especially those which allow but little exercise. Persons who contract this unfortunate habit of body, under such circumstances, might possibly be relieved by changing their sedentary employments for others of a more active kind; but this is by no means certain. Habitual constipation is a very obstinate disorder. All the ordinary so called remedies invariably aggravate it. Nothing can be more injurious than the continued use of strong aperients. They at first irritate, and finally almost paralyze the bowels—rendering them so torpid that enormous doses of cathartic medicines have no effect upon them. A mild aperient combined with a gentle stimulant, is the true remedy; and a combination in the happiest proportion, of these ingredients, is found in Hostetter's Stomach Bitters. This famous Stomachic invigorates the whole intestinal canal, like quietly removing from its convolutions all impediments to a free passage through them. No more purgative has this double operation. No ordinary stimulant affects the desired object. Cases of Constipation abandoned as hopeless by distinguished medical men have been cured in a few weeks by the Bitters. To those who have tried all the medicines of the dispensary in vain, we say try this irresistible stimulant and aperient. There is no sufficient reason why constipation should be the consequence of sedentary habits. Hostetter's Bitters, by supplying the vigor which would otherwise be derived from exercise, will in all cases enable the system to perform its excretory functions regularly and healthfully.

MASTER LODGE, No. 8, I. O. O. F., will hold a special meeting this, Friday, evening, for the transaction of important business. A full attendance is requested.

REV. A. B. EARLE.—This gentleman who was announced to arrive in the city and preach at the Baptist Church yesterday, failed of his appointment on account of a misconnection of a Southern train. He telegraphs that he will be here to day, and will preach at the Baptist Church at 3 and 7 o'clock, P. M.

TABLEAUX TO-NIGHT.—The tableaux in behalf of the colored Fire Company, No. 1, which were to open at Metropolitan Hall last night, but were postponed to allow the Friends of Temperance to occupy for their grand jubilee, will certainly come off to night and to-morrow night. The colored wives, daughters, sisters and sweethearts of the members of the Company will exert themselves to make the affair pleasant and successful.

THANKS.—The editor tenders his thanks to Mrs. Eliza Powell of this county, for a lot of great, big sweet potatoes. The editor expressed them at once to the good wife and little ones at home, where their arrival will, no doubt, create quite a pleasant sensation.

TEMPERANCE MEETING LAST NIGHT.—The colored people who had arranged for an exhibition of tableaux at Metropolitan Hall last night, kindly gave way and allowed the use of the Hall to the Friends of Temperance, who had a grand turn out. Excellent speeches were delivered by Rev. Jno. N. Andrews, Messrs. Brooks, Hill of Louisburg and others.—The Friends are gaining ground and doing good in the land. May they have abundant success and numerous accessions.

CHANGE OF BANK OFFICERS.—The Board of Directors of the Raleigh National Bank held a meeting at their Banking House in this city, on the 29th ult., to which Mr. P. A Wiley, Cashier, tendered his resignation, which was accepted. Charles Dewey, Esq., President, also tendered his resignation, which was accepted, and he was elected Cashier in place of Mr. Wiley. Wm. H. Willard, Esq., was elected President, Maj R. S. Tucker, Vice President, and Jno. C. Blake, Esq., Assistant Cashier.

GOODWIN, the newly elected Representative from Halifax, we notice, was in his seat yesterday. He got in by six or seven hundred majority in a county that has given over two hundred Radical majority. If Col. Walter Clark, his opponent, had taken the field a week sooner than he did, it is thought he would have beaten Goodwin, any how.

A GAME TRANSACTION.—Six thousand partridges eviscerated and salted, were transported over the Richmond and Danville Railroad, on Tuesday last, for Northern markets. They were shipped from Greensborough and High Point.

CONFUSION AND HUBBUB.—In reorganizing our office we have got every thing in a state of general confusion,—worse than on family scouring days. We hope in a few days to get straight and have better facilities for making our friends comfortable when they call on us.

The *Standard* makes inquiries as to whether a man can constitutionally hold two offices—tax collector and member of the Legislature, for instance—at the same time. We would like to extend the inquiry as to whether he can fill the office of Reporter to the Supreme Court and hold his position as member of the Legislature at the same time. We have not heard of any resignations since last Saturday night.

"SPALDING'S GLUE," useful in every house.

THE ORDER OF THE DAY.—A general order for *Sozodont*. In the *teeth of all opposition* it has become the supreme dentrifice of the age.

No impurity can infest the teeth cleaned daily with *Sozodont*. *Quillay*, the bark of the Chilian Soap Tree, an article which possesses cleansing properties superior to those of any other known substance, is one of the ingredients of this peerless compound. *Sozodont* is the only dentrifice in existence in which this salubrious botanical product is incorporated.

ARREST OF KIRK'S MEN.

Capt. Allen White and Lieutenant Craige were arrested in this city yesterday, on a bench warrant issued by Judge Watts, for an assault upon John R. Ireland, last summer in Alamance.

The warrant was returned before His Honor Mayor Harrison; the officer who made the arrest was ordered by the Court to go for Mr. Phillips, as the defendants desired him to appear for them.

The officer returned and stated that Mr. Phillips refused to come. Mr. R. C. Badger was then sent for by the defendants.—Mr. B. appeared and moved to dismiss the warrant because no offense was charged; but His Honor thought differently. Mr. Badger then moved to quash for want of jurisdiction. His Honor thought he had jurisdiction and that Judge Watts, who was presumed to know the law, was also of that opinion.

Mr. Badger said something about intimidating the Court, which the reporter did not understand.

Mr. F. Busbee, who appeared for Mr. Ireland, thought the idea ridiculous. Mr. Badger desired the case deferred until he could talk with his clients, the defendants. To this Mr. Busbee had no objection, so the case was heard in time for Mr. Ireland to leave for Alamance on the evening train.

Mr. Badger thought it rather small game in the prosecutors, who had won a great victory, now to go over the field stabbing the dead. Let them, said he, fight the Generals and not the humble privates in the army, who had surrendered.

Mr. Busbee thought the course of argument pursued by Mr. Badger very remarkable. A citizen of the State had been assaulted with a deadly weapon, and imprisoned for six weeks. He was now seeking redress for his wrongs, and nothing more. It was no justification in them to plead that there were greater offenders and parties guiltier than they.

The defendants gave bail for their appearance at 4½ o'clock, and the Court adjourned.

At the time set, the examination of the case was taken up, and after hearing the evidence of Mr. Ireland, and argument of counsel, his Honor held each defendant in the sum of $200 to appear at next term of the Superior Court and answer the charges against them. The bail was given and the defendants released.

Of the "remarkable" argument of the counsel for the defense and some other collateral matters, we reserve the right to speak hereafter.

TO CORRESPONDENTS.—We have several communications on hand which we should like to publish, if we only had space for them. We hope to make room for some of them as soon as we enlarge, (preparations for which are now progressing,) especially the appeal of the Lady Managers of the Mount Vernon Association, some poetic lines on the death of an interesting child, and a few others that have been awaiting their turn for a good while. We have also an excellent article on the culture and management of tobacco, which we intend to publish soon. If it should give rise to discussion on the subject of which it treats, all the better.

A member of a new circus Company writes to inquire if the two-headed boy was in Raleigh during the Fair. We think he was not, but if the writer is looking for natural curiosities of that kind, we can assure him there are several two-faced men to be found in the city.

Another correspondent inquires where the new Senator from Craven got his first suit of good clothes from after the war.—We are sure we don't know; we have not instituted inquiries as to what tailor he patronizes.

"Tax payer" asks whether the wood on Capitol Square is for the use of that building, or for general distribution? We are not advised on the subject, we saw a wheelbarrow load going from that vicinity in a northern direction by moonlight, a night or two ago.

SENATOR MOORE from Craven, in his remarks against the proposition to call a Convention, which was before the Senate yesterday, said that "he was opposed to altering or amending the Constitution at this time, because the constituents whom he represents are opposed to it to a man; and as long as he had the *power* of speech he would never betray the trust confided to him by his people." We never knew before that there was any power in his speeches.

CORRECTION.—In the report of the proceedings of the House on Wednesday, the report should have stated that Mr. Grayson introduced a bill in reference to *per diem* and mileage instead of Mr. Bryson.

The Reporter also neglected to mention the able and eloquent speech of Col. McAfee in support of the resolution declaring invalid the recent elections in Alamance and Caswell.

The following prominent gentlemen are in the city, stopping at the Yarborough House: Hon. W. A. Graham, Hon. R. Y. McAden, E. G. Ghio, Dr. P. P. Pesce, Hon. David A. Barnes, Dr. W. J. Hawkins, Rev. T. M. Jones, Col. S. S. Royster, Col. T. B. Venable, S. W. Kittrell, Esq. Col. Walter Clark, Hon. A. M. Waddell, Hon. S. N. Martin, Col. S. L. Fremont, Messrs. E. A. Keith, T. W. Kerchner, M. Cronley, H. H. Helper, S. S. Clayton, T. E. Clayton.

CHARGED WITH RAPE.—Hawkins Taylor, a respectable colored man, who has been for some time engaged in driving a dray for Messrs. Upchurch & Dodd of this city, was brought before His Honor, Mayor Harrison, yesterday, on a warrant sued out by a colored girl named Delia Ball, charging the said Hawkins Taylor with committing an outrage on her person. After hearing evidence *pro* and *con*, the defendant was bound over in the sum of $500 to appear and answer at next term of Wake Superior Court.

WYMAN THE WIZZARD gave his second grand exhibition at Tucker Hall last night, at which he appeared in several new and interesting tricks, which must be seen to be laughed at. We do not intend to cripple his business by telling how his tricks are performed. He gave away, as usual, large numbers of valuable presents at the close of the performance, but has a great many more for the holders of lucky tickets to-night and to morrow night, and also the Matinee on Saturday afternoon.

DIED,

In this City at the residence of his brother, Wm. M. Boylan, Dec. 1st, at half past six o'clock, JOHN H. BOYLAN, of Chatham county, N. C., aged 68 years.

The funeral will take place from Christ Church, this, Friday afternoon at 3 o'clock. The friends of the family are invited to attend.

In Johnston county, Oct. 19th 1870 of typhoid fever, MISS SMITHY BARBER, in the 28th year of her age, was a consistent member of the Methodist Church South for a number of years, she died with a full hope of immortality.

Also, in Johnston county, Nov. 28th 1870, of typhoid fever, MISS EMILY BARBER, in the 26th year of her age.

Lovely and pleasant in their lives, and in their deaths they were not divided.

PROF. CHANDLER of New York City, in a lecture delivered by him at Cooper Institute, March 19, 1870, said:

"It is hardly necessary to enlarge upon the terrible accidents which have resulted from the use of unsafe kerosene; you have only to read the news-papers from day to day to see them. It is stated by some that these are exaggerated; that these accidents never occur, and that you and I never had a friend burned to death; still we do have an enormous number of terrible accidents from petroleum. In the last seven months of 1869 there were fifty-five kerosene accidents in New York, resulting in twenty-three deaths, eighteen serious injuries and fourteen slight ones. The total result for the year 1869 for the City of New York which I myself have cut from news-papers is fifty-two fatal accidents from dangerous kerosene, fifty serious and six slight, in all 108 persons to my knowledge, from my own reading, have been injured by kerosene in one year."

TELEGRAPHIC.

Thursday Evening Dispatches.

FROM WASHINGTON.

WASHINGTON, Dec. 1.—It is understood that a movement is on foot to remove the Federal officers in Louisiana, who did not act with the straight Republicans in the recent election.

NEW YORK.

NEW YORK, Dec. 1.—(Special to the World from London.) Letters by balloon from Paris and private letters from Versailles, and dispatches from Berlin, all concur in representing the prospects of the French as extremely gloomy. The Germans in the late engagements with the army of the Loire met enormous, but still their positions were maintained. The efforts of D'Aurelles to advance to the relief of Paris have failed. The provisions in Paris are almost exhausted. Scarcely a fortnight supply remains.

LOUISIANA.

NEW ORLEANS, Dec. 1.—The Varieties Theatre and some adjoining buildings were destroyed by fire here this morning. The fire originated in the property room of the theatre. Loss $250,000; insurance 410,000, mostly in local companies.

It is asserted that Gov. Warmouth visits Washington to effect the removal of Postmaster Lessely, Marshal Packard and Assessor Joubert who, with the Lieutenant Governor Dunn, stand in the way of the governor's schemes.

FOREIGN.

LONDON, Dec. 1.—The *Telegraph* says the feeling is becoming universal throughout England that the French war is drawing to a close. It is reported that Paladines is not only wounded, but was captured on yesterday. A balloon probably from Paris, was seen over the English Channel driven seaward by a violent East wind. It was supposed probably lost in the Atlantic.

The army of the Loire is retreating from its present position.

TOURS, Dec. 1.—The English dispatch relative to a conference has been received. No answer was returned.

Thursday Night Dispatches.

WASHINGTON.

WASHINGTON, Dec. 1.—Decrease of debt, seven and half millions—coin in the Treasury 97½ millions, currency 24½ millions. Boutwell's estimates for the year ending January 31st, 1872 are $280,000 000, exclusive of unexpended balances, which on June 30th were $66,000,000

NORTH CAROLINA.

WILMINGTON, Dec. 1.—The Drawing of the Beneficial Association took place to-day. The following numbers drew the principal prizes:

No 3310, $5,000; 6396, $2,500; 3776, $1,500; 2813, $2,000; 1407, $2,000; 4414, $1,000; 1486, 4500; 401, $500.

ALABAMA.

MONTGOMERY, Dec. 1.—No change in the status of affairs here. Gov. Lindsay has approved a bill that originated in the House and passed the Senate, whereby 17 cops have been withdrawn and a posse of the Radical chiefs guards the Treasury and Executive offices, which are still occupied by Smith and Bingham.—Persons wishing to enter are halted and required to make known their business. The House met today and transacted considerable business. There was no session of the Senate the Treasury to-morrow.

The delegation from Madison county, consisting of a Republican Senator and three Democratic Representatives, telegraphed to their constituents that the law had been fully complied with, and calling for a meeting irrespective of party to denounce the action of Smith and Bingham.

FOREIGN.

LONDON, Dec. 1.—The French claim to have won a victory at Besnac. The French have recovered within the last few days the following places: Bessie, Norgent, Charnave, St. Calais, Mordantieu and Montargis.

The Suez canal is to pass into English hands, or at least come under English control.

The Cabinet complication thickens and a dissolution seems inevitable. The *Times* suggests an immediate assembling of Parliament.

It is said that the Prussians suddenly evacuated Amiens, retiring towards Paris. This movement is regarded as very important at Lille, where it is believed that a great battle is progressing around Paris to-day.

FLORENCE, Dec. 1.—The Spanish escort fleet has arrived at Genoa.

BRUSSELS, Dec. 1.—The *Independance Belge* of to-day, refers to the orderly retreat of the French army of the North towards Arras, says, it will doubtless occupy the great quadrilateral formed by the fortresses North, and which are impregnable.

WE See a great deal in the papers about the coming exhibition of Col. Simon Haye's New Circus &c. When it does come, it will no doubt be a grand affair, for the Colonel is some in his role and says, and does a great many funny things. Besides all this the Colonel is the best looking man in town, which is accounted for, from the fact that he is a patron of

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

It costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Testimonials without number from citizens of this, as well as those of other States might be published, but the above is sufficient. Any person having the Right can make 8 to 10 bbls, of the Fluid in an hour.

For the Central and Northern Counties in
NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently less "reserve" or stronger than that of any Company doing business in this State. No "*Policies* that render *values guaranteed*" as an inducement to new business, but reference is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in evidence of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred policyholders* in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Definite Dividends* are not declared, but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

Ordinary Life Policy Tontine Dividend Plan. Age 38, amount $10,000. 10 years in force. Annual Premium $201 50.	Ordinary Life Policy Mutual plan Cash Co. The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this includes the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies"
17. The amount of new business during the year ending "December, 1, 1869, was $51,021 141.0.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contributions Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.
